No. 06-35 September 8, 2006

Published weekly under the provisions of KNPD 1590.2. Submit items to KSC Bulletin using the Online Request form. All notices contained herein must comply with the nondiscriminatory principles of the Federal Equal Opportunity Program. Advertised items must be available without regard to race, color, religion, sex, age, national origin, or disability.

DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS TUESDAY, 9:00 am

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States flew at half staff on the Kennedy Space Center September 5, 2006, in honor of Michael A. Tluchak, a Grounds Maintenance Worker for Yang Enterprises. Mr. Tluchak died on August 31 and his funeral was September 5, 2006. A flag of the United States, which had flown over the Kennedy Space Center during Mr. Tluchak's career, was presented to his next of kin by his management as a token of gratitude for his service to the National Aeronautics and Space Administration. (TA-G)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

LEAVE ADMINISTRATION: Properly managing the use of annual and sick leave is your responsibility. Except for emergencies, you are expected to request leave in advance and obtain your supervisor's approval. In cases of emergency absence, call in and notify your supervisor of the circumstances as soon as possible after the start of the workday, but no later than 4 hours after the beginning of the workday. Failure to properly request and obtain approval of leave may result in the absence being charged to "Absence Without Leave" and could also lead to disciplinary action. Those who are earning annual leave above maximum accumulations limits must plan use of annual leave to avoid loss of one or more days at the end of the year. (BA-B).

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am. to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

MESSAGE THERAPY: Massage Therapy available Tuesday-Friday 10:00 am-4:00 pm, room 1023, O&C Building. To schedule an appointment contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@kscems.ksc.nasa.gov. \$1.00 per minute/packages available. Gift certificates also available. (TA-C2)

KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM (HEWP)

<http://hewp.ksc.nasa.gov>

SEPTEMBER 2006 POLLUTION PREVENTION: In our fast-paced lives, we tend to disregard many things. Unfortunately, one of the things we disregard is our environment. Our American lifestyle seems to give us almost no choice but to incorporate cars, fast food, disposable items, newspapers, air conditioning, household appliances, and many other items into our daily routines. Unfortunately, what we gain in ease, safety and comfort from using these items, we lose in the frustration of having to deal with the health problems that are directly related to the pollution we have put into the environment. The September 2006 packet addresses pollution education and prevention.

Hardcopies of the packet will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.

****HEALTH EDUCATION INFORMATION TABLE**:** The monthly health education table will be set up in the MFF cafeteria on September 7th from 11:00 am to 1:00 pm where HEWP staff will distribute the pollution packet and related information.

***NEW EDUCATION SEMINAR SERIES*:** The Health Education and Wellness Program (HEWP) presents a new series of seminars for spaceport employees dealing with diabetes either personally or through a family member. The purpose of the series is to educate the workforce about diabetic issues particularly in light of the increasing incidence of diabetes.

The first diabetes education seminar will be on Diabetes in the Workplace. The seminar will be held on Wednesday, September 20, 2006 from 11:00 am. -12:00 noon in the Training Auditorium (located between HQ & O&C buildings).

As a guest presenter for this seminar, the HEWP will host a diabetes educator from the Parrish Hospital Diabetes Education Program. The seminar will cover an introduction to diabetes management highlighting issues such as glucose testing and other management methods in the workplace. Supervisors are also encouraged to attend.

To be placed on the Diabetes Interest Group e-mail listserv, please e-mail Kris Calderon at Kristine.Calderon@jbosc.ksc.nasa.gov Listserv members will be sent information from the diabetes education series seminars along with other information and announcements pertaining to diabetes.

LAST RESORT TOBACCO CESSATION PROGRAM

Have you tried everything to quit smoking or using tobacco and nothing has worked? Are you tired of everyone telling you that you need to quit when you can't? Do you want to quit and are willing to try your last resort? Try "The Last Resort Tobacco Free Program" offered at the OHF! The Last Resort Tobacco Free Program is designed to assess your individual needs to quit tobacco use (cigarettes or smokeless tobacco), introduce you to the latest nicotine aids and drug therapy that is appropriate for your treatment, and provide you with individual support from our Employee Assistance Program (EAP) and Health Education and Wellness Program (HEWP) staff.

TRY "THE LAST RESORT TOBACCO FREE PROGRAM" OFFERED AT THE OHF! The Last Resort Tobacco Free Program is designed to assess your individual needs to quit tobacco use (cigarettes or smokeless tobacco), introduce you to the latest nicotine aids and drug therapy that is appropriate for your treatment, and provide you with individual support from our Employee Assistance Program (EAP) and Health Education and Wellness Program (HEWP) staff.

The Last Resort Program

Phase 1: Smoking History Intake/See an OHF health care provider for drug therapy

Phase 2: Complete 2 individual sessions with EAP staff

Phase 3: See your OHF health care provider for drug therapy follow-up

Phase 4: Complete 2 individual sessions with HEWP staff

Phase 5: See your OHF health care provider for drug therapy follow-up

Stop by the OHF for information and to see an OHF health care provider.

For more information call the EAP at 321-867-7398 or HEWP at 321-867-3414.

FUEL FOR WOMEN:

Fuel 4 Women List Serve: All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Lauren Ratner, Health Education Intern at Lauren.Ratner@jbosc.ksc.nasa.gov for more information about or ideas for Fuel 4 Women and to join the list serve.

2006 CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE:

| DATE | PLACE | TIME |
|----------------------------|-----------|------------------|
| Wednesday, September, 13th | OHF | 7-9 a.m. (2 hrs) |
| Wednesday, October, 11th | OHF | 7-8 a.m. |
| Thursday, October 12th | LAC (MFF) | 7-8 a.m. |
| Wednesday, November, 15th | OHF | 7-9 a.m. (2 hrs) |
| Wednesday, December, 6th | OHF | 7-8 a.m. |
| Thursday, December 7th | LAC (MFF) | 7-8 a.m. |

OHF – Occupational Health Facility (M6-495, Industrial Area @ KSC)

LAC (MFF) – KSC Launch Area Clinic (Multi-Functional Facility @ KSC)

The 2-page CVD questionnaire can be picked up at any medical facility. The questionnaire can also be downloaded from the SGS home page/forms: <http://ksboc-forms/KSCForms2/ref/KSC28-1010.itr>. This form can be filled out on-line and then printed. Please print each page separately. You must fast for 12 hours prior to coming to the screening (nothing but water).

STRESS MANAGEMENT WORKSHOP:

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFA Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

VISION SCREENING SCHEDULE: No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday September 12th 1am-1pm

Tuesday September 26th 11am-1pm

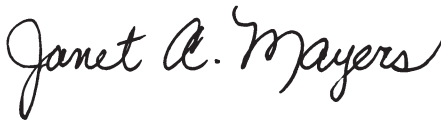

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation.

WORKSITE LECTURES: Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov. (TA-C2)

DID YOU KNOW?: Visit the new KSC Health Cliques website to find out if you know the health tip of the week! For comments regarding KSC Health Cliques, contact Kris Calderon, 867-3414 or Lauren Ratner, 867-4566. (TA-C2)

NASA SCIENTIFIC AND TECHNICAL INFORMATION: The NASA STI Program Home Page on the World Wide Web is accessible at URL <http://www.sti.nasa.gov>. The NASA STI Program provides ready access to over three million aerospace and related citations. This service is run by the NASA Center for Aerospace Information (CASI) for the lead NASA Center, Langley Research Center. (TA-E1)
